We sell quality hand-fed parrots,

FROM CONURES TO MACAWS!

Why buy from us? Buying a new parrot is not something that most people do everyday. Where can you go, and who can you trust, to buy a good quality, healthy, and well socialized pet? Many breeders do not have the time to socialize their parrots, or offer customers the benefits of personal service. **We do!**

- 1. We will help you choose a special bird that best fits your lifestyle.**
- 2. Special Order if we don't have what you are looking for!** We belong to the Parrot Place Organization which gives us access to a network of well established, reputable breeders, allowing us a wide variety of choices year round.
- 3. Your new parrot will be socialized in a home environment, and will be trained and friendly when he goes home with you!** If you live nearby, you are also welcome to come and visit.
- 4. We guarantee satisfaction and provide personal service!** We stand behind (but not under) the birds we sell!
- 5. Our birds are sold with a 1 year limited health warranty!** This is very rare in our industry!
- 6. Once your purchase of a bird has been made it is the beginning of a lifetime commitment!** We sell everything your parrot will need...and we can provide all the services needed after your parrot goes home with you!

- *Boarding*
- *Grooming of Nails and Wings*
 - *DNA sexing*
 - *Infectious Disease Testing*
